Introductory.

HE fifteenth volume of The Caron Directory Co's. New Albany and Jeffersonville City Directory for the years 1903 and 1904 is herewith presented to the public.

New Albany has made substantial gains since our last issue in 1901. This Directory contains 11,894 names as against 11,540 names for the 1901 Directory making an increase of 264 names which multiplied by two, the lowest multiplier used makes a net gain of 328 and a population of 23,608.

A large number of new factories are being erected in and around New Albany, others are being enlarged and extended and an air of general prosperity pervades the entire community. The Louisville and Southern Indiana Traction Co. has just completed an electric line between New Albany and Jeffersonville, which is one of the largest and most valuable improvements made in recent years. The Carnegie Library, situated at Spring and Bank streets is nearing completion and will be an acquisition to the city.

A High School Building to cost \$80,000 is now in course of erection, many new and handsome residences are going up or have been completed this year, and all the public utilities—Water Works, Electric Lighting plant, Gas Works and Electric Street Railroad system have been greatly enlarged and entirely modernized.

The City Council recently passed an ordinance for paving with asplita about four miles of streets. A sewerage system is now being agitated, that if carried out will add greatly to the sanitary conditions of the city. Much credit is due the New Albany Commercial Club for the progressive spirit manifested in the city.

Jeffersonyille is keeping abreast of the times as will be shown by the increase in population since 1991. This directory contains 7.735 names, an increase of 357 and an estimated increase in population of the p

The Deaconess Hospital has been remodeled and re-furnished at an expense of \$10,000. The Carnegie Library to be located at Spring street and Court avenue and a new public school at Spring and 13th streets are in course of erection, the former to cost \$15,000 and the recent production of the control of the court of

There is and has been for some time a lively demand for small propery in and around Jeffersonville. Daneton and Fulton, two new suburb; just north of the city are being platted. The streets are to be of apphair while the sidewalks will be of grantoid. Jeffersoville will is making many street improvements and is reconstructing several miles of sidewalks with grantioid.

The Jeffersonville Commercial Club recently reorganized is composed of many of the most prominent citizens of Jeffersonville who are concentrating their energies toward making the city a manufacturing center.

THE TRIBUNE 60.

DAILY TRIBUNE,

WEEKLY TRIBUNE.

We Would Like

to Print For THE DAILY TRIBUNE is your home newspaper;
bright, clean, progressive. It deserves your support on this ground if no other.

The Daily Tribune is the only Republican daily paper in the Third Congressional District, embracing the nine counties of Crawford, Perry, Dubois, Harrison, Orange, Clark, Washington, Scott and Floyd. For this reason it has a wide circulation throughout these counties, as it is the organ of the Republicans of the district. The WEEKLY TRIBUXE goes into homes in every corner of this and surrounding counties, and in many cases it is the only paper that reaches the substantial farmer of this section. The DAILY TRIBUXE has a circulation larger than any of its competitors. The foregoing are facts. An advertisement placed in the TRIBUXE always brings results, as a trial will prove to your satisfaction.
